Craft Steps

Follow the below steps to make your Wind Chimes. Or you can work along with us on the Craft Video!

1. Take one stick that is about 30 – 40cm long.
2. Collect all your metal and wooden items.
3. Take a collection of wool, string and ribbon and cut it into different lengths. Make sure you have enough pieces for each of your metal and wooden items.
4. Tie one end of each piece of string, wool and ribbon to the stick.
5. Tie one wooden or metal item to each piece that is tied to the stick.
6. If you like you can add some colourful crepe paper, feathers and paint splodges to decorate your wind chimes.
7. Finish with one piece of ribbon at the top so you can hang it up.

How WINDerful!
