## Craft Steps

Follow the below steps to make your Pizza. Or you can work along with us on the Craft Video!

1. Begin by painting your paper plate. Set aside to dry.
2. Once the plate is dry, cut out tomato sauce base from coloured card and stick onto plate.
3. Now add the toppings. You can play around with lots of options here. Some cut up sponge could be pineapple.
4. Scrunch up tissue or crepe paper to create some chunks of meat.

5. Now add some mushrooms. Cut these out of some coloured paper and glue on.
6. Next add some capsicum. This might be red, green or yellow bits of card. Cut up into slices and glue on.
7. Finish with a stringy cheese topping. Cut up some strips of wool, string and ribbon and glue to the pizza.
